

A NAMIBIA DE BEERS PARTNERSHIP

# BRILLIANCE HAS MANY FACETS

-CELEBRATING THE POWER OF WOMEN TODAY FOR A BETTER TOMORROW-

During the month of March, Namdeb will be recognising women, nominated by their colleagues for being individuals who inspire others through the brilliance they bring to work and the positive culture they create or encourage. This forms part of commemorating International Women's Day which falls on 8 March.

**Jana Jacob**

---

**Mineral Resources Evaluation Manager**

Jana is a Geologist who believes in making a difference not only in her career but within her community as well. She has inspired many residents in the town of Oranjemund through initiating a community vegetable garden. She has exemplified that anything is possible if you believe in it and has ignited brilliance in others through the community project.

**Libertha Kapere**

---

**Company Secretary**

Libertha firmly stands up for her beliefs and demonstrates that it is not about being popular but about doing the right things and exemplifying brilliance in this regard. She is a well-rounded individual and her expressive yet calm nature draws many people to her both in and outside of the work environment.

**Hileni Kahupi**

---

**Control & Instrumentation  
Mechanician**

Hileni provides technical support at Namdeb operations as a Control and Instrumentation (C&I) Mechanician. She strives every day to make a meaningful contribution to the Company because she knows that it will ultimately contribute to Namibia as a whole. Hileni is known for her everyday smile and her positive attitude motivates her fellow team members.
